“Community, Communication and Communion” 35th GS theme is the Vision of the Department of Communication of CMI St. Paul's Province, Mysuru. Effective communication is the key that helps the people come closer to develop communion. However, in order to reach out purposefully and with impact, proper data is required. This directory is one such guide that provides all the relevant data and helps us communicate better.

This Directory – 2018 is intended to be a resource which can be used by the members of our community and whoever is associated with us. We hope that this Directory will enhance effective communication among the members and will prompt greater participation in the activities of our Province and our Congregation.

I take this opportunity to express my most sincere and heartfelt thanks to all those who so obligingly provided us with those portions of valuable information so requisite to the completion of this Directory, and gratefully remember and appreciate those who accorded kind services so liberally and generously.

CMI History

The Carmelites of Mary Immaculate CMI is the first indigenous religious congregation of India, started by three illustrious priests of the Apostolic Church of St. Thomas Christians in India. These founders were Rev. Fathers Thomas Palackal, Thomas Porukara and St. Kuriakose Elias Chavara. They were assisted by Jacob Kaniyanthara who joined the congregation as brother co-operator. The then Archbishop of Verapoly Mar Maurilius Stabilini O.C.D., who was governing the St. Thomas Christians of Kerala, granted permission to establish this religious congregation. The foundation stone for the first Monastery at Mannanam, Kerala was laid on 11 May 1831. Before the fulfilment of their long cherished dream of canonically starting religious life among the St. Thomas Christians, the two Acharyas, Fr. Thomas Palackal and Fr. Thomas Porukara were called to eternal rest in 1841 and 1846 respectively. Later under the charismatic leadership of St. Kuriakose Elias Chavara, many dedicated priests of the Kerala church joined this spiritual movement.

On December 8, 1855 the religious community received full ecclesiastical recognition and the first eleven fathers under the leadership of St. Kuriakose Elias Chavara made the first profession of religious vows.

They were given Carmelite rules with certain modifications and were known as 'Servants of Mary Immaculate of Mount Carmel'. Fr. Kuriakose Elias Chavara, the first 'Prior' of the congregation passed away after a fruitful life of sanctity on 3 January 1871.

He was declared 'Blessed' by Pope John Paul II on 8 February 1986 at Kottayam, Kerala and was canonized by His Holiness Pope Francis I on 23 November 2014 at Vatican. Since the ordinaries of Verapoly were Carmelites, under whose jurisdiction and guidance was the congregation in its early days, a Carmelite influence was obvious. In 1860, the general chapter of the OCD named Religious Institute as 'Third Order of the Discalced Carmelites' (TOCD). In 1958 the name was changed to 'Carmelites of Mary Immaculate' [CMI] with the approval of its revised constitution by the Holy See. It was granted pontifical status in 1885 and was declared exempted pontifical religious congregation in 1967. The congregation was involved from its very beginning in pastoral care responding to the need of the then church in Kerala. One of the other important apostolates of the congregation was training priests to serve the church effectively. The members met the challenge of educating the youth and disseminating Christian literature, laboured for the evangelization of the Non-Christians and for the reunion of the separated brethren among St. Thomas Christians and undertook works of mercy and started charitable institutions. Pleased with apostolic activities of the Religious Institute, the Holy See, entrusted to it a number of mission territories beyond the boundaries of Kerala in 1960s. The Congregation was divided into three provinces on 2 March 1953 for the administrative reasons. Later on as the members and the activities increased, further divisions became necessary. At present the congregation has fifteen provinces, two mission regions, seven sub-regions, five mission dioceses spread across 29 countries.

History of the Province

A Short History

During the Second World War and shortly afterwards there was a mass exodus of Nazranis from Kerala to Mangaluru, Chickamagaluru and Mysuru in Karnataka state. They were living in different regions of Karnataka without having sufficient spiritual care. Reading the signs of the time and needs of the people the CMI missionaries under the leadership of Rev. Fr. John Berchmans Kureeckal CMI of S. H Province Kalamassery reached Karnataka in N R Pura and started Mysuru Mission in the year 1954. This mission under the title "Mysuru Region" was formally entrusted to the sacred Heart Province Kalamassery as its 'Mission' by the rescript (Proto No. 586/59) from the Vatican on 8 May, 1959.

The formal erection of the region was in the year 1965. Rev. Fr. Cyprian Vithayathil was appointed as the first Regional Superior with the mission headquarters at Gonikoppal, South Coorg. Rev. Fr. Regulus Thadathil, Rev. Fr. Barnabas Kannadan and Rev. Fr. Fredrick Mundathanath were his successors as regional superiors. The geographical area of CMI St. Paul's Province Mysuru covered the civil districts of Mysuru, Mandya, Coorg, Hassan, Chikkamagaluru, Dakshina Kannada, Udipi and Shivamogga. Considering the remarkable progress of the mission activities in this region, the 30th General Synaxis held on May 2, 1978 elevated this

mission region to the status of a vice-province placing under the patronage of St. Paul having Carmel Bhavan as its Provincial headquarters at N R Mohalla, Shivaji Main Road, Mysuru. Rev. Fr. Fredrick Mundathanath was appointed as the first provincial.

In order to facilitate the mission work of the district of Hassan, His Excellency Rt. Rev. Dr. Jacob Thoomkuzhy the former Bishop of Manthavady made a contract with Rev. Dr. Thomas Aykkara CMI the then Prior General of the CMI on behalf of CMI St. Paul's vice-province, Mysuru on 19 April 1981 with full responsibility for intensive and extensive evangelization of the people of the district and in due time the Holy See may be pleased to erect it as a new eparchy or exarchate as the case may be (Ref., Contract between Rt. Rev. Dr. Jacob Thoomkuzhy the then Bishop of Mananthavady and Rev. Dr. Thomas Aykkara CMI, the former Prior General No.1). After 29 years on 18 January 2010 diocese of Mandya comprising of the four civil districts of Hassan, Mandya, Mysuru and Chamarajanagar was erected by the Synod of Bishops of the Syro-Malabar Major Archiepiscopal Church. The province has been responding to the global mission initiatives of the CMI Congregation and started its first mission in Argentina in 2005 sending three missionaries. Members of the province are engaged in various fields of apostolic activities like pastoral care, preaching the word of God, imparting formal education, social work, medical care, serving the sick and the dying and in organizing the youth.

Pastoral care is given to the Christian faithful through parish work catechetical training and administration of the sacraments and through various other activities. The province is rapidly growing with more dedicated priests engaged in various apostolic activities.

The province dedicated the first and the new centre at Goa as an extended mission territory on auspicious day of St. Chavara's Birthday 10 February 2018. The centre is named after the patron saint of Goa St. Joseph Vaz.

On the way to Mangalore from Madikeri about 14 kms away from the city, we purchased a property of six acres on 24 March 2017. The area of the land is 6 acres with patta and 4 acres without patta totalling 10 acres. The land is situated at Jodupal of Madhe village in Madikeri District. It is suitable for cultivation. The purpose of the purchase was to start a residential school or retreat centre or an Ayurvedic Hospital with accommodation facilities.

In the year 2017 the province has acquired two more properties one at Mangalore and the other at Madikeri. Mangalore property is purchased to start an educational institution. It has 4 acres 83 cent of land. One more portion of the land to be purchased along with the land with patta we will be having some cumic land as well. It is on a hill which gives a panoramic view from all around which is situated in Kurnadu village of Bantwal taluk, Dakshina Kannada District. The land was registered on 10 February, 01 March and 04 August in 2017.
